Tab A	Your Talking Points
Tab B	Agenda
Tab C	Speakers and Topics for Industry Presentations
Tab D	Guests from Private Industry
Tab E	Opening Remarks and Luncheon Presentation (Probably to be Used by Jim Hirsch)

27 March 1984

MEMORANDUM FOR: Director of Central Intelligence

FROM: SA/DCI/IA

SUBJECT: Semiconductor Conference, 29 March 1984

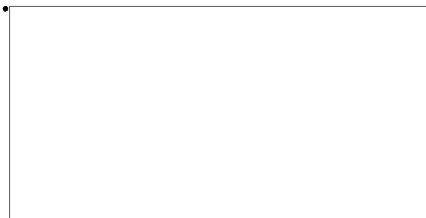

1. You are scheduled to appear at the Agency/Industry Semiconductor Conference [redacted] Thursday evening, 29 March. You were originally scheduled to make some opening remarks Thursday morning and to make a presentation at the luncheon; Jim Hirsch, ADDS&T, will stand in for you. As it now stands, you will be asked to make some remarks at the dinner scheduled for 7:30 that evening. Part of your chore will be to introduce Admiral Inman.

STAT

2. At Tab A are your talking points for the evening session. At Tab B is a copy of the agenda for the two-day session. At Tab C is a listing of the speakers and topics from private industry. At Tab D is a list of the guests from private industry. And finally, at Tab E are the talking points originally intended for your use, that Jim Hirsch may use in the morning and luncheon sessions.

3. If I can do more to help, please call.
